From 4 April 2020 your Employment and Support Allowance will be [Amount]. This is because of: [Reason].

From 11 April 2020 your Employment and Support Allowance will be [Amount]. This is because of: [Reason].

We have used the tax years ending 5 April 2015 and 5 April 2016 to assess your claim.

We will credit you with National Insurance contributions while claiming Employment and Support Allowance.

You are required to immediately report any change in your circumstances to us, or the circumstances of your partner if you have one.

The attached sheet shows how we worked out your money. If you want more information please get in touch with us. Our phone number and address are at the top of this letter.

INCOME SUPPORT (IS)

Our phone number: [Number]
 If you have a textphone: [Number]
 Date: 17 April 2020

Dear [Name]

About your Income Support

I am writing to tell you that your recent change in circumstances does not affect the amount of Income Support we pay you, however there may be future changes in your entitlement.

This may be because of future changes you have told us about, the uprating of benefit or changes in deductions from your benefit.

This means you will continue to get [Amount] a week.

The way this has been worked out is shown on the page called **How your Income Support was worked out**.

From 11 April 2020, your Income Support will change to [Amount] a week. This is because there has been a change to your Income Support rates.

How to get your money

We will pay your Income Support into the account that you have told us you wish to use. The money will be in the account requested every fortnight by the day Income Support is due.

If you want a further explanation of this decision, please see the final page of this letter. It explains what to do if you disagree with this decision.

What you should do if your circumstances change

If your circumstances change, it may affect the amount of benefit you get. You must tell us about any changes in your circumstances.

Yours sincerely
