

Board and Senior Post Holder Declarations of Interest

Governor Declarations of Interest

As per the Gateshead College Conflicts of Interest Policy, governors and relevant staff members are asked to declare all relevant business interests, financial or otherwise, that could potentially result in a conflict of interest which they or a person connected with them may have.

The form sets out that each member must register any interests, financial or otherwise, which they or (so far as they are aware) their spouse or partner, children or other close relatives may have which amount to an actual, perceived or potential conflict of interest.
